			* no spiral notebook		* no spiral notebook

Please label boxes and containers with the your child's name. Many of the items will be collected at the beginning of the school year due to limited storage space for each student. Certain items, such as tissue and hand sanitizer, will be shared. Because COVID is still spreading, students will not be permitted to share books or resources. Items marked with "H/S", also known as Home Supplies, should be maintained at home and sit aside for specific homework assignments.
